He said that clearly there is not a consensus of opinion supporting any of the proposals discussed at the Town Council meetings. He said that recognizing that there is not support for moving forward with any of the existing proposals that it would be best to allow time for new ideas to develop. He said that there is no time-table or reason dictating that a decision must be made now. He said that it is his hope that an idea may mature in the future which allows all of us to embrace a plan that will enhance our downtown.

9. PUBLIC QUESTION AND ANSWER PERIOD

John Rooney, 62 Williams Road, made comments about bond money in relation to Williams Road.

Chairman Parisi called a five-minute recess at 7:00 P.M. and re-convened at 7:05 P.M. He called on Robert Sheehan.

Robert Sheehan, 11 Cooper Avenue, commented on the street closing in regard to the bridges that are out on Christian Street and West Dayton Hill Road and the impact it is having on traffic increase on the detour roads and his concern regarding school bus and emergency vehicle travel. The West Dayton Hill Road bridge is being worked on according to John Thompson,

Town Engineer. He also stated that the town has added bridges to a list of seven compiled by the state because of storm water damages. He said that the design is nearly complete, and they have IWWC approval and are waiting for DEP approval. He said they expect to demolish the Christian Street bridge this winter and new construction should begin in the spring-summer months of 2007 and that following evaluation of the bridge, there is no temporary measure that can be taken.

Pasquale Melillo, 15 Haller Place, Yalesville, noted that Connecticut has had big cutbacks relative to education on the federal level and asked the Council to look at that.

Phil Wright, Sr., 160 Cedar Street, said that he is pleased every day about the beautiful garden of the corner of Elm Street and Pond Hill Road and congratulated the garden club. He commented on the 9/11 Town Hall ceremony.

Tony Debase, 278 North Main St., made comments about the West Dayton Hill Road bridge, the referendum in regard to the Wooding Caplan property and about consensus. Mr. Knight read the memorandum (*Appendice I*) from P.U.C. Director, Raymond F. Smith to the Mayor.

Raymond F. Smith, P.U.C. Director
John P. Thompson, Town Engineer

He said that the town is obligated under state law to collect conservation load management funds and to apply those funds in areas where they think that savings are appropriate and demonstrate good use of those monies. He said that there are a number of traffic signals in Wallingford that have LED signal equipment and some that do not. He said that there is a significant reduction in energy uses by using LED lenses as compared to the standard reflector and light bulb signalization. He showed the Council a red 20-watt LED unit, which replaces a 69-watt unit.

(There was no discussion)

Each Councilor, individually, voted aye. Mr. Farrell was absent from the meeting. The motion passed.

11. Conduct a Public Hearing at 7:00 P.M. to Consider and Act on an Ordinance entitled: An Ordinance Concerning Property Tax Exemption for Certain Farm Machinery and Farm Buildings – Law Department

Mr. Knight read - An Ordinance Concerning Property Tax Exemption for Certain Farm Machinery and Farm Buildings. Mr. Knight said that some legislation was passed by the State of Connecticut allowing municipalities to grant an exemption from property tax for farm machinery, except motor vehicles, and any horse or pony and to grant an exemption from property tax for farm buildings. He said that this is in addition to one that is already in place and he read Section 2 "Eligibility" of the Ordinance. *(Appendix II)*

Chairman Parisi opened the Public Hearing at 7:30 P.M.

The following people spoke in favor of approving the changes to the Ordinance: Eric Henry, 141 Blue Hills Road, Pasquale Melillo, 15 Haller Place, Kathryn Zandri, 9 Balsam Ridge Circle, who asked if there was a clause in the Ordinance for the Town to recoup the taxes if the property was sold for development, and Bev Calza, who asked that information regarding tax exemptions, for property owners, especially the elderly, be made more public in town so as to reach all of its citizens. Information is available in the Assessor's Office and the Senior Center, and it was suggested that a flier could be periodically enclosed in the Electric Division billing mailing.

Chairman Parisi closed the Public Hearing at 7:40 P.M.

Mr. Knight made a motion to pass the Ordinance concerning property tax exemption for certain farm machinery and farm buildings as presented. **Ms. Rascati** seconded.

12. Conduct a Public Hearing at 7:15 P.M. to Consider and Act on an Amendment to an Ordinance entitled: Veterans Tax Exemption – Law Department

Chairman Parisi opened the Public Hearing at 7:52 P.M.

Mr. Knight said that the original ordinance was passed several years ago in response to some changes in State of Connecticut legislation that allowed adjustment to the income threshold for one of the tax exemptions that municipalities can grant to veterans. He spoke about two other exemptions structured by the state legislature that are either fully or partially reimbursed by the State of Connecticut. He said that this amendment is an additional and third one structured by the State of Connecticut and is an exemption that is not reimbursable. He said that presently veteran's whose income as defined by the legislation is \$27,700 for a single person, and \$33,900 for a married couple would qualify for \$10,000 exemption. This ordinance amendment is suggesting that the \$10,000 be raised as allowed by the State of Connecticut law to \$15,000 so that veterans that are single with a \$42,700 income or a married veteran with a \$48,900 income are now eligible for this exemption. He talked about the financial impact on the community. He said that they don't know how many veterans will qualify and don't know their income. He said that the State of Connecticut legislation allowed this adjustment to be up to \$25,000 but that the Ordinance Committee chose \$15,000 in hope that they would gather some hard data regarding the financial impact on the Town's budget and that once that is known, the issue can be revisited. He referred to Chapter 203, Article II Jason Zandri, 35 Lincoln Drive, asked what the impact was when the exemption was \$10,000. Mr. Knight responded that the Comptroller took some census data and some other figures and determined that if they increase it by \$10,000, he thought that 510 veterans total would qualify and that the impact on the town would be \$108,375. These are estimates. He said that if it is increased by \$15,000 that would add another \$15,000 to the impact making it \$123,000. There are other caveats. First, the State of Connecticut legislature excludes disability payments from the formula to determine the income figure. He said that, secondly, the State of Connecticut legislature continues to redefine those veterans who qualify and that it is now extended to reservists and that it is no longer just combat veterans. He said that it continues to evolve. Mr. Zandri said that he supports this amendment and would like to see it revisited. Pasquale Melillo, 15 Haller Place, also supports this amendment. Jim Dunn, Shaw-Sinon Post 73 of the American Legion also supports the amendment. Dave Gessert, Grandview Avenue, commended the Mayor and the Fire Chief for the 9/11 ceremony, and speaking as a veteran, and currently Senior Vice Commander of Siedlicki Post 187, he said that he supports the proposed amendment. Wes Lube, 15 Montowese Trail, commended Assessor Shelby Jackson for his efforts to inform the public regarding tax exemptions and said that putting this amendment into effect should not take long.

Chairman Parisi closed the Public Hearing at 7:56 P.M.

Mr. Knight made a motion to accept the Veteran's Tax Exemption Amendment to the ordinance as written. **Ms. Doherty** seconded.

13. Conduct a Public Hearing at 7:30 P.M. to Consider and Act on an Amendment to an Ordinance entitled: Alcoholic Beverages – Law Department

And that permittees violating the alcoholic beverages ordinance be changed to \$90 for the first offense, \$500 for the second offense and \$1,000 for a third and all subsequent offenses.
