ATTN: Robert F. Parisi, Council Chairman

Dear Council Members:

On behalf of the Wallingford Public Celebrations Committee, I extend our thanks to you for your support and cooperation with the Jubilee 325 Committee for the purchase of the portable bandstand which now belongs to the Town of Wallingford. The people of Wallingford can look with pride to this special piece of equipment that will enhance and benefit special events in our community.

In addition, our heartiest thank you for sharing Santa's arrival on Saturday, November 30th. We appreciate your strong support of our efforts and once again we thank you.

Sincerely,

Johanna Fishbein
