Date: April 17, 2020
Subject: Annual Public - Budget Hearing

The Wallingford Town Council has successfully held our first web based Town Council meeting, using the platform GoToMeeting.com. In light of that, the Town Council will be holding a web based Public Hearing on the 2020 2021 Budget on Wednesday April 29th at 6:30 PM.

Department Heads will **NOT** be required to answer questions at the public hearing. The council will listen to the questions. As the meeting will be recorded and viewable on the web, you have the option of joining into the meeting or going to the link (I will send you) and viewing/ listening at a later time.

For the budget workshops, in addition to the council's questions, at that time, you will answer your questions from the public. The public may be able to ask follow-up questions. This will be a more organized way to address questions and maintain the web based platform.

Attached is the calendar of meetings, if you have a conflict with the date you are scheduled for, please contact me as soon as possible so that I can try to accommodate you.

Feel free to email me: townclerk@wallingfordct.gov or call me 203.294.2145.

Regards,

Barbara Thompson, CCTC
