Dear Council Members:

It has been brought to my attention that representatives of the Public Utility Division are planning to go to Washington, D.C. in an effort to seek funding for our proposed water treatment plant.

They plan to sit down and discuss this matter with our new State Senator, Joseph Lieberman and Congressman Bruce Morrison. We are also hoping to set up a meeting with Senator Dodd at the same time. It has been suggested that the Council Vice-Chairperson, Iris Papale, accompany the contingent to Washington. Mrs. Papale would certainly be an asset to the group.

The budget does contain funding for Seminars and Dues and I would ask that you consider approving the expenditure of funds from this account. I do feel Iris has established a fine rapport with the Senator and would be able to explain the needs of the Town of Wallingford.

Your consideration to this recommendation will be appreciated.

Sincerely,

William W. Dickinson, Jr.  
Mayor
